

DAY IN DAVENPORT

Girls in Holdup.—Two daring negro girl bandits perpetrated a successful holdup at Third and Brown street Sunday night at 11 o'clock, securing \$25 in money from Lee Helder, 722 West Front street. Frank Cassinetti, 312 West Front street, who was with Helder, is reported to have lost nothing. The men were walking along Third street and were about to turn the corner at Brown street when two figures leaped from the shadows and pointing revolvers at the surprised men demanded their money. As the robbers came closer the men saw that they were women. One of the high-women covered the two men with a revolver while the other searched them. Helder had \$25 in a pocketbook which the negroes promptly took. The men were then ordered to be on their way. The women beat a hasty retreat north on Brown street and were soon lost to view. The women are described as wearing sweaters. The men got but one glance at the bandits' face and noted that they were of a light tan color. The robbery was reported to the police shortly afterward but no trace of the bandits has been found.

Desertion Is Charge.—Information was filed before Justice Phil Daum yesterday charging Henry Sander, 3336 Seventh street with desertion. The wife, Agnes Sander, states that the defendant has failed to support her since Sept. 21. The couple have four minor children.

Employees in Ball League.—Factory employees of Davenport are to form a big basketball league which will play its schedule on the Y. M. C. A. gym floor, the organization of the league to be made at a meeting Wednesday evening of this week at Association hall. The Bettendorf shops, Locomotive works, Red Jacket plant, and Arsenal shops have already put in a bid for places in the league, which will comprise eight or nine teams if this large number can be secured. The meeting Wednesday night will probably result in the election of officers and the appointing of committees on rules, management and credentials. So successful was the indoor baseball league last year, composed of factory teams in large part, that Director O. E. Johnson of the "Y" believes the factory basketball league will make a big hit for the fall and early winter months. The indoor baseball schedule to begin when the basketball season is closed.

Files Suit for Damages.—Suit for \$2,000 against Roy Kirker, H. B. Betty and Frank F. Betty was filed yesterday by Elsie Baldwin through her attorney, John M. Heimick. The damages are alleged for mental suffering on account of defamatory matter published by defendant's concerning plaintiff.

The plaintiff alleges that the defendant Kirker through Attorneys Betty and Betty, sent her a letter in which she claims to have been "accused of contempt of court," and which she labels defamatory. She also alleges that defendants attempted to enforce a claim against the property of her father and that the letter sent to her was caused by this claim.

Original notice of suit to recover \$100 alleged due the plaintiff from the business in which he and the defendant were partners, was filed yesterday by George Skowos against Nick Metevles. Attorney F. D. Letts represents the plaintiff. The two men were engaged in the pool and cigar business in Davenport and the plaintiff alleges the \$100 is due him as his share of the profits.

Union Makes War.—War between the union and nonunion barbers of

Davenport is on. Three saloons have been filed against non-union shops on the charge of keeping open Sunday. The three non-union shops are New Kimball, Hotel Davenport and Horace Foley, Third and Harrison. One barber in each of the three shops was singled out as a test case. The complainant on each of the three informations filed yesterday afternoon was W. E. Stephens, secretary of the local barbers' union. The union men say they do not intend to stop with the three cases but will bring the same charge of breaking the Sabbath against every non-union shop or every shop where the Sunday closing ruling is not observed.

Licensed to Wed.—A marriage license was issued to Glenn Fowler, Davenport, and Edna Delvan, Peru, Ind.

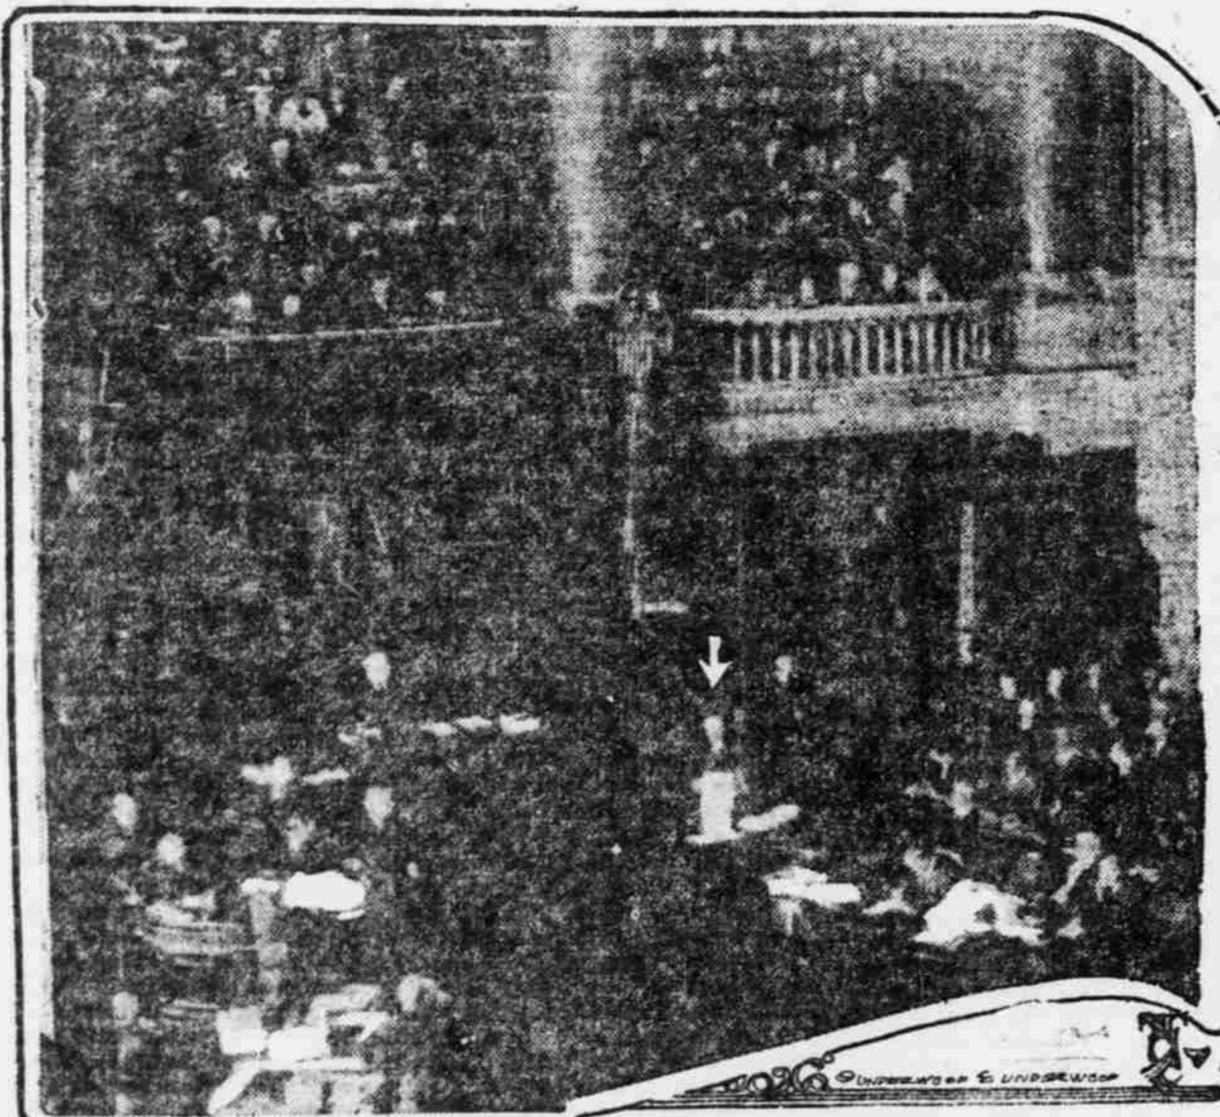

Missing Boy Found.—A grandfather's nation-wide search for an 8-year-old boy, missing from Buffalo, N. Y., for more than a year, ended in Davenport yesterday when Anastasius Paraskervakos, 70 years old, of Buffalo, N. Y., his face radiant with happiness, embraced the lost boy at the Davenport police station. The little fellow, Anastasius Paraskervakos, Jr., was found by the Davenport police at 413 1/2 West Second street. He had been abducted by his grandmother and brought to Davenport. The boy's father died two years ago. His mother disappeared shortly afterward and the elder Paraskervakos was appointed by the Buffalo courts guardian of the child. Shortly after this the grandfather discovered that his wife had suddenly taken her departure during the night and the grandson was also missing. The police were notified and photographs of the missing boy were sent broadcast over the United States

and Canada. A short time ago the grandfather, through friends, learned that his wife and the boy were in Davenport. Securing the necessary papers to show his right to the child, he came to this city yesterday and enlisted the aid of the local police. The boy was found living with his grandmother here. "I am a happy man," said Paraskervakos as he sat in the chief of police awaiting a train home. "Little Anastasius is the only comfort I have in my numbered days. My wife left me and my son is dead. I have a good home for him and will see that he is well cared for."

Victim of Stabbing.—Stabbed in the right breast and robbed of \$50, Fernando Martello lies in a critical condition at Mercy hospital while the authorities are scouring the vicinity for his assailant. The affair occurred in Bettendorf about 10 o'clock Sunday night. Martello, who is employed at the shops, was standing near the Mechanics hotel, when a fellow countryman whom he did not recognize stepped up to him. Whipping out an ugly looking stiletto the stranger demanded Martello's money. The latter refused to comply with the demand and attempted to wrest the knife from his assailant's grasp as the latter rushed at him. A few minutes later Martello was found by passersby lying on the sidewalk. He was unconscious and bleeding profusely from wounds in his breast. The Davenport police were notified and also Sheriff Eckhardt, who hurried to the scene with Deputy Sheriff John Marlan. No trace of the robber and would-be murderer was found and it is believed that he made good his escape. The wounded man's condition is much improved today and he will probably recover.

You Can Surely Get Thin

So Surely That We Guarantee It Here's a New, Scientific Way

We make a product called Beredite, a simple anti-ferment. Some time ago physicians found that this product stopped fat from digesting.

So we put up this product in tablet form and made clinical tests in obesity. A thousand tests proved that the use of the tablets led to constant fat reduction. Now the product is sold in tablet form, solely for use in obesity. The tablets are called Beredite.

The effect is simply to stop the digestion of any fat-forming food. Such food, apparently, passes out undigested when one takes Beredite.

Take one after each meal.

"Beredite" are sold and recommended by

Thomas Drug Co., W. T. Hartz, William Ullemeyer, August Heimbeck, Rock Island; Jericho's Drug Store, Moline, Ill.

THE BEREDITE CO., CHICAGO, Distributors

The object is to starve the body of fat, just as with rigid dieting. Then the body, to get the fat it needs, feeds on the stored-up tissue.

The result is reduction in a natural way. Beredite simply do what dieting does—simply starve the body of fat.

These results are so sure that we guarantee them. Each box of Beredite contains a legal warrant.

Harm is impossible if you stop the treatment when you get thin enough. Within 24 hours from the time you stop, fat digestion begins again.

Beredite are sold now by druggists. Price \$1 per box—enough for a two weeks' treatment.
